

<b>Project Title:</b>	UV Light and Autoimmunity: A Role for Small Excised DNA Oligonucleotides
<b>PI:</b>	Sancar, Aziz
<b>Institution:</b>	Univ Of North Carolina Chapel Hill
<b>Grant Number:</b>	R21ES024425

These search results have not been confirmed by NIEHS and are therefore, not official. They are to be used only for general information and to inform the public and grantees on the breadth of research funded by NIEHS.
